

XXXV RAFV - Mar del Plata – 2025

Day1		Day 2		Day 3		Day 4	
5/08/2025 (Tuesday)		6/08/2025 (Wednesday)		7/08/2025 (Thursday)		8/08/2025 (Friday)	
8:00		Registration Open		Registration Open		Registration Open	
:30							
9:00		Symposium 1 Growth & Development	Symposium 2 Metabolism	Symposium 3 Water relation	Symposium 4 Mineral Nutrition	Symposium 5 Plants and the environment	Symposium 6 Biotic interactions
:30							
10:00		Coffee Break		Coffee Break		Coffee Break	
:30		Plenary Lecture Danilo Daloso “Emergent properties of plant metabolic networks in response to stress conditions”		Plenary Lecture Ingo Dreyer "Homeostats: Hidden rulers of homeostasis and signaling in plants"		Plenary Lecture Matias Zurbriggen “Plant synthetic biology and optogenetic approaches for the study and control of cellular processes in plants“	
11:00		Flash Talks (Speaker selection from submitted abstracts) 5', 2-3 slides)		Flash Talks (Speaker selection from submitted abstracts) 5', 2-3 slides)		Flash Talks (Speaker selection from submitted abstracts) 5', 2-3 slides)	
:30							
12:00		Lunch Break		Lunch Break		Lunch Break	
:30							
13:00		Registration Open		Plenary Lecture Christa Testerink “How roots respond to salt“		Plenary Lecture	
:30		Workshop "Biotechnology applications"	Workshop "From a Scientific project to a Biotech Startup"	Workshop Orphan Crops SAFV - ASPB - Tempeton Foundation	Symposium 7 Ecophysiology		
15:00							
:30		Open Ceremony	Posters Snaks & Beer Gluck and Gauchitas Session		Posters Snaks & Beer Session 2		
16:00		EMBO Keynote Lecture: Rodrigo Gutierrez “From molecules to the ecosystem in the Atacama Desert”					
:30	Keynote Conference: Sandra Bucci "Water regulation in plants: strategies for acquisition, transport, and storage in response to drought and freezing temperatures"						
17:00	Welcome Cocktail	SAFV memebers meeting				Closing Ceremony	
:30							
18:00							
:30							
19:00							
:30							
20:00							
:30							
21:00			Dinner /Party				
:30
