

# XVIII

National Plant Biochemistry  
and Molecular Biology Congress

# XI

Symposium  
México-USA

# 1<sup>st</sup>

ASPB México  
Section Meeting

**October 28<sup>th</sup> to 31<sup>st</sup> 2019**  
Holiday Inn Mérida, Yucatán, México

Plant stress responses and  
challenges to climate change

Phenomics and development

Genetic improvement,  
from natural variation  
to new technologies

Gene Expression

Signal Transduction

Plant-Microbe  
interactions

Epigenetics
